Continental Cement Co., L.L.C. is located one mile south of the Mark Twain Cave on Highway 79. Continental has been in continuous production of cement since 1903. Continental supplied cement for such projects as the Panama Canal and the Empire State Building. Continental's 622 feet kiln is still one of the largest in the world. Continental employees just over 200 people at the plant south of Hannibal and is proud to have fourth generation employees in our work force. Each year thousands of people visit Hannibal to see the Mark Twain Boyhood Home and the Mark Twain Cave. Continental is proud to be part of the history of this community. Continental hopes you enjoy your stay in historic Hannibal. For a tour of our plant, call 573-221-1740. Doug Sisco, Plant Manager.
